Notice to parents of Georges Valley High School students regarding release of information to military recruiters and colleges:

The No Child Left Behind Act (NCLB) includes a provision that requires secondary schools to provide names, addresses and telephone numbers to both military recruiters and institutions of higher education upon request. **Parents and legal guardians have the right to request that the school not release such information without prior consent.**

The purpose of this notice is to inform you of the law and to provide you the opportunity to request that information about your child not be released. If you do not inform us otherwise, we will be required by federal law to disclose your child's name, address and telephone number to military recruiters and institutions of higher education that request this information.

If you wish to exclude your child's/children's information from automatic release, please complete the form below and return the entire letter to the Student Services office no later than two weeks from receiving it. If you need further information, please contact Martha Brown or Emily Davis.
